

ANNOUNCEMENTS

Good morning Teachers & Leaders,

The next two Sundays, February 20 and February 27 the Trustees will be coming by your Campus Community groups to answer any questions regarding the process and progress of the restructuring plans that Pastor Paul mentioned from the pulpit and via mail.

They will stop by at random times so please be flexible in allowing them some time to answer questions (if any) so they can move on to the next group and you can continue your studies.

Thank you all for your time and flexibility!
