

International Dinners to Host

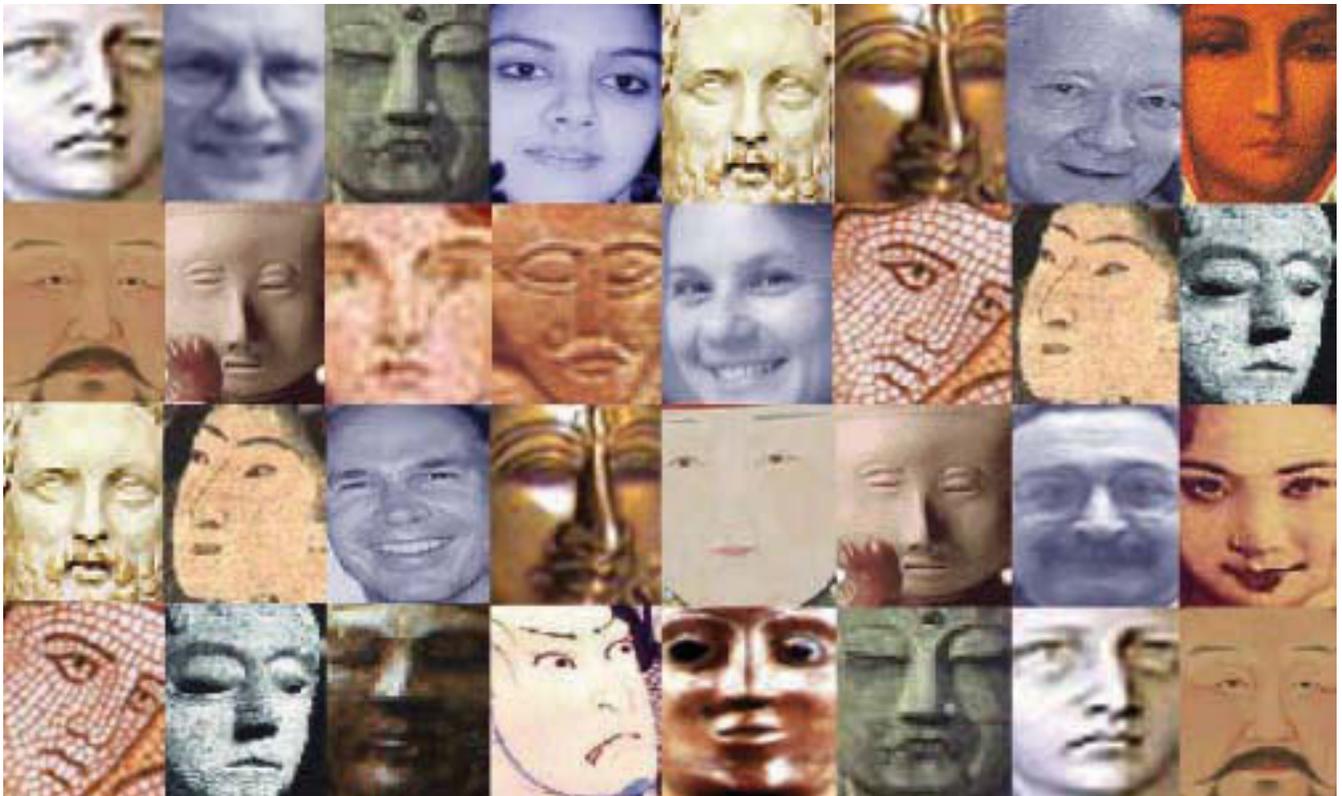

What is required of an ABF is to provide 18 dishes of food ~ 6 main dishes, 6 sides and 6 desserts. We provide you with disposable alum pans for the mains and sides (so there's no worry about getting dishes back). Any of your people may stay to help serve the food ~ or else the volunteers will fill in, it's no problem.

Prepare side dishes and main dishes

If your ABF is too small to meet the required food above, let us know and we can partner you with another group who has indicated they would like to help, but can't do it alone.

The ministry managers will come to your ABF the week prior to your commitment and bring the necessary disposable pans and explain further the best way to provide.

Have visitors fill out the above 3 part form that is in your ABF folder and indicate in the upper right corner whether it is a 1st or 2nd visit.

Someone from your ABF should contact them during the first week and invite them back.

The ABF office will also mail a post card to them the first week acknowledging their visit.
