

Every Group with a Ministry

Urban Vision: in Cuyahoga Falls, starting in September they have after school programs for neighborhood children (about 50), and are in need of someone to help with serving a meal. It would be great to have some consistency with this.

Great idea: an entire ABF could take over doing this once a month!

Contact Sandy Muffet: 330.608.1027

First Glance: in Kenmore, beginning in September will be a new girls program called "Girls Just Want to have Fun" which will have guest speakers and group discussions about different topics. Also they continue to run their Teen Moms program. Needed are volunteers to build relationships with teens, holding babies while they are in class, helping to teach and mentor. They are also trying to get a Teen Dads program started.

Contact Sandy Muffet: 330.608.1027

Green Good Neighbors (GGN): in need of donations of socks and underwear for kids and adults. It would be great for an ABF to take a ticket with the need printed on it, designate a few people to collect everything and then deliver the items to GGN. Contact Sandy Muffet: 330.608.1027

Briarwood Outreach: Briarwood Estates is a low-income Section 8 apartment complex on Mayfair Road in Green, about 2 miles from The Chapel, Green Campus. The residents consist mostly of Moms and kids age 1-10. Homework Help and Good News Club are planned for the moms and kids; scheduled for Tuesdays and Thursdays throughout the fall and winter. To volunteer for this contact Lisa Marshall at lisa.marshall@the-chapel.org or 330.315.5520
